# FACILITY

Pivotal to PDC Tamween's success and professionalism, is understanding the complete cycle of creating excellent and cost effective food services. The organization has a massive culinary facilities and a complete transportation network that ensures meals are delivered on time, at temperature and anywhere in Qatar.

Through our team of managers and employee engagement programs, all associates are rigorously trained on the elements of personal hygiene, safety, cleaning and customer service. As our mantra states, "Service Like No Other", and this is evident in our evolving network of satisfied clients.

## MISSION

To cultivate industry leading standards while remaining creative in our ability to meet clients' needs and develop customizable services. Our language as an organization will be defined by the values of quality, safety and professionalism.

## VISION

Our strategic outlook is to perpetuate PDC Tamween's ethos within the industry and become a leading force by designing and delivering innovative and holistic food services. Our growth will be fueled by seeking out new and challenging projects that shape our business model to become more fluid, dynamic and inventive.

## **CATERING FOR EDUCATIONAL INSTITUTIONS**

The increasing focus on cultivating a global culture of learning has led to the development of diverse educational institutions. As a result, Qatar is now embracing this knowledge economy, and accompanying this shift is the need for specialized food services that meet the requirements of a new generation of students.

Our team understands the cultural, conceptual, and social elements of operating within educational institutions, and tailors culinary options to reflect diverse eating habits and religious requirements. The menus we create are designed to meet the dietary needs of students at different stages of development, from preschool to post-graduate. We create specialized nutritional plans for each institution, ensuring that our product is a direct reflection of your unique needs.

## WORKSITE AND CAMP CATERING

Qatar is currently experiencing unfettered growth and accompanying this evolution is the need for more construction and infrastructure developments. A rising number of foreign workers are now assisting in the development process, and require food services that reflect their own unique cultural and ethnic backgrounds.

It has been proven that a sense of wellness and a balanced diet can improve workplace productivity. Thus by delivering custom tailored meal plans, we can meet workers' needs ensuring they can perform in the most demanding environments. Pivotal to our success is incorporating international chefs into our workforce who have an in-depth understanding of diverse ethnic groups and their dietary preferences.

## **FUNCTIONS, EXHIBITIONS RETAIL CATERING &**

Having attracted the attention of the international community by acquiring various high profile events, the amount of exhibitions in Qatar continues to rise. However, the need for a quality and custom tailored culinary experience is a niche that needs to be filled. Thus, our international trained chefs can take any event concept and distill it into a vivid dining experience. Any element of gastronomy can be articulated by our envisioned team and their ability to sculpt beautiful food.

## AWARDS

Diyafa 2009 was the 4th Edition of the International Hotel, Restaurant & Food Exhibition that showcase culinary skills from around the world. PDC Tamween represented the only catering company in Qatar to participate in the culinary competition, competing against international chefs representing renowned & 4-5 star hotels. PDC Tamween was awarded 4th Place in this competition, led by Continental Chef Mr. Nuwan Chandimal Udagepola, and assisted by Demi Chef, Mr. Sathi Easwaran Kandiah.

# MESSAGES FROM THE CLIENTS

## PDC Tamween Stewarding

We are writing this letter to let you know how much we appreciate the consistently excellent work of PDC Tamween Staff working in HGH Production Kitchen. We appreciate their presence and hard work during the ISO Audit last February 14 & 15, 2018 here at HGH Kitchen and also for the Municipality of Health spot check last February 19 & 20, 2018 just to make sure that everything is fine in the kitchen. In addition to that, we would like to thank them for helping us passing and achieving the ISO 20000:2005 Food Safety Management System (FSMS) Re-Certification in February 2018.

They did a fantastic job in terms of ensuring the cleanliness of the kitchen and most especially learning and familiarizing about HGH policy and JCI policy at all times. They even provided excellent answers to JCI representative's questions. They make sure that all the area inside and outside the kitchen are clean and safe for everyday operation. Thank you for the commitment of the team to ensure food safety within HMC.

Keep up the good work and continue soaring high to get better results in the future.

Greetings of Appreciation from us, HMC Catering Department.
